

## **PFA-Kabel Tidy IEC Thermoelement mit freiliegender Sperrschicht und montiertem Ministecker - Typ K - PFA Twin Twisted - 1M Lnge**

Labfacility are the UK's leading manufacturer of Temperature Sensors, Thermocouple Connectors and associated Temperature Instrumentation and stockings of Thermocouple Cables. The Company has been trading since 1971 and is ISO9001 accredited.

Kabelgebundenes Thermoelement mit eingebautem Miniatur-IEC-Stecker, PFA Twin Twisted oder Flat Pair.

Ein hochempfindliches Präzisions-Thermoelement mit feinem Draht und offener Verbindung mit einem passenden Miniaturstecker.

|                     |                                                                                                                  |
|---------------------|------------------------------------------------------------------------------------------------------------------|
| Product Code        | XE-5598-001                                                                                                      |
| General Description | A complete, precision fine wire, high sensitivity thermocouple with a fitted miniature connector and cable tidy. |
| Sensor Type         | Exposed Junction                                                                                                 |
| Thermocouple Type   | K IEC                                                                                                            |
| Cable Length        | 1M                                                                                                               |
| Cable Type          | PFA Twin Twisted Insulated Wire                                                                                  |
| Termination Type    | Miniature flat pin plug, colour coded in accordance IEC 584                                                      |
| Max. Temperature    | Rated 220°C continuous                                                                                           |
| Tolerance           | Class 1                                                                                                          |
| Standards Met       | IEC 584                                                                                                          |
| Connector Type      | Plug                                                                                                             |
| Connector Size      | Miniature                                                                                                        |
| Series              | Cable Tidy Exposed Junction                                                                                      |
